PREFERENCE POINTS CLAIM FORM IN TERMS OF THE PREFERENTIAL PROCUREMENT REGULATIONS 2022

This preference form must form part of all tenders invited. It contains general information and serves as a claim form for preference points for specific goals.

NB: BEFORE COMPLETING THIS FORM, TENDERERS MUST STUDY THE GENERAL CONDITIONS, DEFINITIONS AND DIRECTIVES APPLICABLE IN RESPECT OF THE TENDER AND PREFERENTIAL PROCUREMENT REGULATIONS, 2022

1. GENERAL CONDITIONS

1.1 The following preference point systems are applicable to invitations to tender:

- the 80/20 system for requirements with a Rand value of up to R50 000 000 (all applicable taxes included); and
- the 90/10 system for requirements with a Rand value above R50 000 000 (all applicable taxes included).

1.2 **To be completed by the organ of state**

a) The applicable preference point system for this tender is the 80/20 preference point system.

b) The 80/20 preference point system will be applicable in this tender. The lowest/ highest acceptable tender will be used to determine the accurate system once tenders are received.

1.3 Points for this tender (even in the case of a tender for income-generating contracts) shall be awarded for:

- (a) Price; and
- (b) Specific Goals.

1.4 **To be completed by the organ of state:**

The maximum points for this tender are allocated as follows:

	POINTS
PRICE	80
SPECIFIC GOALS	20
Total points for Price and SPECIFIC GOALS	100

- 1.5 Failure on the part of a tenderer to submit proof or documentation required in terms of this tender to claim points for specific goals with the tender, will be interpreted to mean that preference points for specific goals are not claimed.
- 1.6 The organ of state reserves the right to require of a tenderer, either before a tender is adjudicated or at any time subsequently, to substantiate any claim in regard to preferences, in any manner required by the organ of state.

2. DEFINITIONS

- (a) “tender” means a written offer in the form determined by an organ of state in response to an invitation to provide goods or services through price quotations, competitive tendering process or any other method envisaged in legislation;
- (b) “price” means an amount of money tendered for goods or services, and includes all applicable taxes less all unconditional discounts;
- (c) “rand value” means the total estimated value of a contract in Rand, calculated at the time of bid invitation, and includes all applicable taxes;
- (d) “tender for income-generating contracts” means a written offer in the form determined by an organ of state in response to an invitation for the origination of income-generating contracts through any method envisaged in legislation that will result in a legal agreement between the organ of state and a third party that produces revenue for the organ of state, and includes, but is not limited to, leasing and disposal of assets and concession contracts, excluding direct sales and disposal of assets through public auctions; and
- (e) “the Act” means the Preferential Procurement Policy Framework Act, 2000 (Act No. 5 of 2000).

3. FORMULAE FOR PROCUREMENT OF GOODS AND SERVICES

3.1. POINTS AWARDED FOR PRICE

3.1.1 THE 80/20 PREFERENCE POINT SYSTEMS

A maximum of 80 points is allocated for price on the following basis:

80/20

$$P_s = 80 \left(1 - \frac{P_t - P_{min}}{P_{min}} \right)$$

Where

P_s = Points scored for price of tender under consideration

P_t = Price of tender under consideration

P_{min} = Price of lowest acceptable tender

3.2. FORMULAE FOR DISPOSAL OR LEASING OF STATE ASSETS AND INCOME GENERATING PROCUREMENT

3.2.1. POINTS AWARDED FOR PRICE

A maximum of 80 points is allocated for price on the following basis:

80/20

$$P_s = 80 \left(1 + \frac{P_t - P_{max}}{P_{max}} \right)$$

Where

- Ps = Points scored for price of tender under consideration
 Pt = Price of tender under consideration
 Pmax = Price of highest acceptable tender

4. POINTS AWARDED FOR SPECIFIC GOALS

- 4.1. In terms of Regulation 4(2); 5(2); 6(2) and 7(2) of the Preferential Procurement Regulations, preference points must be awarded for specific goals stated in the tender. For the purposes of this tender the tenderer will be allocated points based on the goals stated in table 1 below as may be supported by proof/documentation stated in the conditions of this tender:
- 4.2. In cases where organs of state intend to use Regulation 3(2) of the Regulations, which states that, if it is unclear whether the 80/20 or 90/10 preference point system applies, an organ of state must, in the tender documents, stipulate in the case of—
- (a) an invitation for tender for income-generating contracts, that either the 80/20 or 90/10 preference point system will apply and that the highest acceptable tender will be used to determine the applicable preference point system; or
 - (b) any other invitation for tender, that either the 80/20 or 90/10 preference point system will apply and that the lowest acceptable tender will be used to determine the applicable preference point system,
- then the organ of state must indicate the points allocated for specific goals for both the 90/10 and 80/20 preference point system.

Table 1: Specific goals for the tender and points claimed are indicated per the table below.

(Note to organs of state: Where the 80/20 preference point system is applicable, corresponding points must also be indicated as such.

Note to tenderers: The tenderer must indicate how they claim points for each preference point system.)

The specific goals allocated points in terms of this tender	Number of points allocated (80/20 system) (To be completed by the organ of state)	Means of Verification
• Women	05	Identification Document
• Locality (within Maquassi Hills Local Municipal)	05	Statement of Municipal Rates and Taxes of not more than Three Months

**DEVELOPMENT AND MAINTANCE OF MAQUASSI HILLS GATEWAY TO
OPPORTUNITY WEBSITE PORTAL/APPLICATION**

DESCRIPTION OF THE PROJECT

The project consists of the development and maintenance of a Gateway 2 Opportunity (G2O) Website for the Maquassi Hills Local Municipality. The G2O website will focus on the creation of a database of local service providers and local businesses directory. The envisioned results of the project are to set-up the website and that the website be linked to the municipal website, whereby marketing of this website can be done through word-of-mouth (such as like through local radio stations and internal communication channels). The G2O Website would then allow businesses and/or individuals to register on the database.

In conjunction to the business database, a skills, talents and abilities audit should be done in order to fully understand the supply of skills within the various towns and villages within the municipality. The G2O website will be linked to the database to enable networking, linkages and targeted job opportunities.

The G2O Website will, through the registration of individuals and businesses on the database, provide individuals the opportunity to access employment, training and skills development. The benefits of the G2O database extend to both employers and employees through which both parties will be linked to available skills development and employment opportunities in the municipality from a central system. The system will in turn provide comprehensive career guidance information, inclusive of industry trends and occupational outlooks, linking job seekers with all available job opportunities in the area and enabling employers to recruit on-line and immediately access the candidate database for suitable applicants.

SPECIFICATION

Development and maintenance of Maquassi Hills Local Municipality Gateway to opportunity Website Portal/ Application

Job Seekers

- Users of the system should be able to register on the system and be able to update their user profiles.
- Users should be required to upload the CVs and supporting documents on the portal.
- Users should be able to retrieve job adverts and be able to download the job advert.
- Users should be able to apply for vacancies online.

Employers

- Employers should be able to register their business on the portal and be able to update company information regularly.
- Employers should be able to view job seekers information after applying for a vacancy on the portal.
- Employers should be able to upload vacancies on the portal.

DESIGN REQUIREMENTS

The design of the site should accommodate the following:

- **Layout:** The site should not be visually crowded, attractively organized and structured in a manner that gives the user access to all the desired information at a glance. The sites must also be compatible with all major browsers e.g Google Chrome, Microsoft Edge and firefox.
- **Look and Feel:** the website should retain the unique look of the municipality. This should enable the web user to recognize it as belonging to the municipality. In order to achieve brand consistency, everything visual should be inter- linked and linked back to the core brand look. The municipal logo should be used in consistent way across all the web pages.
- **Web Navigation Interface:** The service provider will be expected to ensure that the design of the website is user friendly and easy to navigate. The design should anticipate and provide for different types of content. The sites content has to be organized into classifications and hierarchies.
- **Next Generation Responsiveness:** The site should allow websites flexibility to adjust according to the different devices the site is being accessed on.
- **Social Media Interfaces:** The site should allow integration of feeds from the social websites like Twitter, Instagram and Facebook to allow for maximum interaction on the municipal social pages.
- **Access Control:** The site should be designed in such a way to ensure that only the information to a particular user or user group is accessible. Posting capabilities should be limited only to municipality webmaster or authorised personnel. This functionality should prompt the end-user to have a recognisable username and password and utilise 2 factor authentication.
- **Search Capabilities:** An internal search engine for the website that searches the website with search results disaggregated according to key headers.
- **News Section:** News section should be incorporated into both sites' Content Management System with an archive system for old news.
- **News Feed:** The website should have the capability to receive RSS feeds (i.e. breaking news on loadshedding and relevant government articles).
- **Newsletter:** The website should cater for electronic newsletter capability or compatibility.
- **Online Form & Database Application:** There should be built in functionality on the tenders and Careers pages to allow for online filling of forms.
- **External Website Links:** Provide links to other external websites as well as (e.g. Municipal website and District website).
